Brief Report : Tributes to soldiers killed by China

Report :

In light of the recent happenings at Ladakh which resulted in the death of many soldiers, EBSB Club GECK released posters honouring the brave souls who gave their life to protect our nation and its people from outside forces. It is important to remember and pay our tributes to these heroes. The posters were released on our official social media channels. All club members were encouraged to share the posters individually in order to get maximum attention.
