INTRODUCTION:

The Ek Bharat Shrestha Bharat programme aims to actively enhance interaction between people of diverse cultures living in different states and UTs of India, with the objective of promoting greater mutual understanding amongst them.

As a member of EBSB club of CMRIT, Bangalore, we have conducted a webinar on “**Photography Competition**” with the theme COVID-19, inviting the paired state "BTKIT Dwarhat" for their student participation. The students from both the institutes had participated and presented their photographs with relevant explanation, thus making the event successful. It was judged by event coordinators. The prizes of “Rs 300” and “Rs 200” were also distributed to the first two winners.
