**Report on food festival on "Maharashtrian Cuisine"**

A food festival on "Maharashtrian Cuisine" was organized by this Institute under the banner of "Ek Bharat Sreshtha Bharat". Different kinds of Maharashtrian food items starting from street foods to vegetarian and Non-vegetarian items were prepared by our students and served to the invitees and staff members during the festival. The Maharashtrian culture and customs was also showcased by our students. It was well appreciated and also covered by Odia print & electronic media.

The photographs of the above festival are attached herewith for your reference.

Thanking you,

With regards,

(Sharada Ghosh)

Principal
