### **REPORT OF THE EVENT IN 50 WORDS**

During the lockdown period, the Department of Computer Science has conducted literacy programmes like Quiz and Assignments via Google Classroom for faculty members and students. Webinars on Photoshop were conducted, and various departments students participated in this webinar which created the right platform to enrich their knowledge. The above mentioned activities were really useful for the students. The theme of conducting various programs is to create good opportunities and share knowledge to all the participants. In future our department has a plan to conduct E-assignments and assessments for the benefit of our department students.

Faculties from the Department of Computer Science attend various Online FDP and Webinars enhancing their knowledge for the development of the society.
