The **School of Humanities**, organized a National webinar on “**Environmental Reforms During Post Covid-19 Era**” on **26th June, 2020**. The Resource person was **Dr. L. Venkatachalam, Professor, MIDS, Chennai, RBI – Chair**. The main moto of this webinar was to create awareness on environmental problems and the reforms to reduce those problems especially during this pandemic period among the Students, Research Scholars and Faculty members of all over India.

Report

To create the awareness on environmental problems and the reforms already taken by the government and the reforms to be initiated by the government especially during this pandemic period, a National Webinar was organized by Dean, School of Humanities, Guru Nanak College. In this webinar 830 persons were registered. The final participants were totally 240. The resource person Dr.L.Venkatachalam, Professor, MIDS, Chennai, RBI – Chair, covered different ways in which environmental problems are arising, especially how the wet lands are mis used by all. Moreover, he pointed out that if the wet lands are being utilized properly, our state government will get 10,000 crores of extra state income per annum. It could be utilized for corona recovery. Above all he had discussed about different reforms such as pricing, Taxing, and Ownership transferring. Totally, we had 240 participants. So many participants raised several questions. Our Resource person had cleared all their doubts. Finally, with the vote of thanks our webinar came to an end.
