

Sri Meenakshi Government Arts College For Women (A) Madurai-2

Department of Home Science

Report of events/ Activities conducted in June 2020

An online National Webinar was organised on "**Challenges in Nutraceuticals as Therapeutic Agents**" on 29.06.2020. Our college Principal, Dr. S.Vanathi, presided over the webinar and delivered the presidential address. Dr.J.B.Sharmila, Head, Dept. of Home Science, welcomed the gathering. Dr.N.S.Ganesh, M.Pharm., Ph.D., Head, Dept.of Pharmaceutics, T.John College of Pharmacy, Bangalore delivered the guest lecture on "Challenges in Nutraceuticals as Therapeutic Agents". Though the webinar invited more than 600 registrations, nearly 400 participants from all parts of India attended the webinar on Zoom as well as on YouTube Live Telecast. The participants also aired their queries which were answered by the resource person. An online quiz game on nutraceuticals was conducted which was well received by the participants.
