Ek Bharat Shreshtha Bharat

Hindi tutoring through college website

08.06.2020

An initiative to teach different Indian languages was started on June 8. Everyday a new Hindi word with translations in all Indian languages will be uploaded on the EBSB page on college website. This will give an advantage for the college community to learn everyday words in different languages and thus improve their vocabulary. The link to College webpage is given. <https://www.alphonsacollege.in/ebsb/>
