

### **Awareness Programme about surveillance camera**

To create awareness among NSS volunteers, an awareness programme about the Surveillance camera was organized by the Police Officials. The Police Officials have pinpointed the surveillance camera usage by the Government for intelligence gathering, prevention of crime, the protection of property and investigation of crime. Further they added that these surveillance cameras are one of the most ubiquitous and recognizable technologies used to secure the public. The technical staff members have given a brief description about the types of surveillance cameras available.
