Multimedia files like audio, video etc., can be inserted in presentation for effective teaching and learning process.

**Report:**

Two hour workshop was organized by the Department of Physical science, IASE - Saidapet on "Designing E-content for Learning" through Google meet and the programme was hosted by Dr. A. Vasanthi, Head of the Department on behalf of the Institute of advanced study in education - Saidapet, Chennai on 18.06.2020.

The Workshop was inaugurated at 11 AM by Dr. A. Vasanthi, Assistant professor (Institute of advanced study in education – Saidapet) with an magnificent introduction speech on E-content. Then the session was handovers to the key presenter of the programme Mr. M.K. Udaya Kumar (IASE). He provided a splendid insight on the topic "Designing E-content for learning" with a live demo session.

Following the presentation, there was a wonderful interactive session where the participants interacted with the speaker clarifying their doubts and asking interesting questions.

The successful programme ended around 1.00 PM with Vote of Thanks by Dr. Vasanthi, Head of the Department, Physical science. The Workshop was very informative and provided the participants with enormous knowledge on the topic. They loved the event as a whole.
