Report Description

7. The **School of Sciences** organized a Faculty Development Program on “Hands-on workshop on Integrating External Tools into Moodle” held on 23rd-24th July 2020. The Resource person was Dr. S.E.Noorjahan, Dean, School of Sciences, Guru Nanak College (Autonomous) and it was organized with an objective to give hands-on training to the faculty members, to utilize moodle, the learning management system.

8. Report

The objective of the program was to give hands-on training to the faculty members from our own institution and also from other institutions. On 23rd July 2020, the first day, the resource person demonstrated, starting from registering for Moodle site and how to create a course and upload study material into the course. She also demonstrated to enroll students in the course. In addition she also explained about giving different activities to the students.

On the second day, 24th July 2020, demonstration was given on for integrating external tools into Moodle. Certain important tools like Zoom, Google meet, OpenOchem, edupuzzle and AWW board were integrated using LTI URL, secret and key.
