Amarnath – Marvel At The Natural Occurences

Amarnath is a haven for pilgrims and is counted among the top places to visit in Kashmir. Worshippers of Lord Shiva visit this place every year to take blessings and witness the enshrined image of Shiva which is popularly called Shivaling. People from all over the world resort to this place and indulge in the well-known 'Amarnath Yatra'. It is believed that this is the same cave where Lord Shiva told about the secret of life and eternity to Goddess Parvati.
