Report Description – To test the students' knowledge in Botany subject

Report on Online Quiz: During this difficult time developed due to COVID-19 outbreak, forcing the Government to declare nationwide lockdown, Guru Nanak college management and Principal encourages all the Department to conduct, webinars, and quiz. This leadership made The Plant Biology and Plant Biotechnology department to organize Botanical Quiz. Questions for the quiz are primarily based on various subjects like, Algae, Fungi, Lichens, Taxonomy, anatomy, Cell Biology, Plant Pathology, Plant biotechnology, Molecular biology

and bio instruments. This quiz is conducted to test the knowledge about a plants and their related technical terms

By facing this Botany Quiz the participants can assess their knowledge skills. The people who are very much interested in knowing about the history or lifestyle of plants those can utilize this as a good opportunity. This quiz will help the participants to learn more information about plants. The online quiz has no registration fee. It was started on 10th July 2020 at 6:00 am and within few hours more than 100 participants attempted. Totally 429 participants attempted and got their e- certificate. A link was given to participate in this knowledgeable event and E-certificate was issued to the winners on their email. Every day first 100 participants got their e- certificates. We received vast participation from students and professionals across the country.
