

Event Name : Exploring Odisha

College : Thadomal Shahani Engineering College , Bandra , Mumbai
Date : 26th July 2020

Odisha, home to the 'Temple City of India', is a state of plentiful culture, history, heritage, and tradition. There are a number of stories and folklore, which are testament to this rich diversity.

☆ These aspects have played a monumental role in sowing the seed of a 'peace loving' society among its people, and instilling communal harmony.

To highlight these facets of the state, the *EBSB Club of Thadomal Shahani Engineering College*, is pleased to announce its next event: **“Exploring Odisha”**

The details of the event are given below:

● *Each team can have 3 members.*

● Each team will have to select one category from the options given.

The categories that teams can choose to speak on, are as follows:

- 1) Culture
- 2) Cuisine
- 3) Dance
- 4)Heritage
- 5) History
- 6) Religion
- 7) Stories and folklore

● Students can watch videos, and collect information related to the selected category.

For the presentation, the participants will then have to prepare a PPT of 4-5 slides and speak on it, for 3-5 minutes. Come, share your knowledge, and showcase your oratory skills!
