

Haryanvi/Punjabi Food Festival

IHM Hyderabad hosted a Haryanvi/Punjabi Food Festival, Under the Ek Bharat, Shrestha Bharat campaign. The students of the institute presented culinary secrets from the heartlands of Haryana & Punjab and drew inspiration from the traditional eateries and their most relished dishes. The use of fresh ingredients and the sanjha-chulha concept, lends smokiness and flavour to the dishes and thus made it a treat for the taste buds.

The Students were dressed in Punjabi Attire and performed the folk dance of Punjab. On These Food Festival was attended by The Human Resource and Training Managers of the Oberoi group who were here as part of their recruitment drive.
