

Ek Bharat Shreshtha Bharat (EBSB) Activity

An Autonomous Institute

Affiliated to Visvesvaraya Technological University, Belagavi

Approved By AICTE, New Delhi.

Recognized by UGC with 2(f) & 12(B) status.

Accredited by NBA and NAAC.

Awareness on Uttarakhand State's infrastructure

Date of the Activity	29.08.2020
Category of the Activity	Dissemination of information about paired state
Title of the Activity	Awareness on Uttarakhand State's infrastructure
Venue	Online

Awareness on Uttarakhand State's infrastructure was disseminated by EBSB cell of MVJ College of Engineering , Bangalore on 29th of August 2020 through an online platform.

Total 217 students from various disciplines have attended this activity through Microsoft online platform . The details of the activity are highlighted as follows:

Department	Semester	Participant count
AE/AS	III	15
CHEMICAL	IV& VI	40
CSE	VI	42
CIVIL	VI	05
ECE	IV & VI	41
EEE	III	18
ISE	IV	07

ML	VI	15

Participants: AS, MN, SH, SR, BP, MT, ANUSREE P

Uttarakhand state's Infrastructure
PHYSICAL INFRASTRUCTURE – RAILWAYS

As of 2016-17, Uttarakhand had 339.80 km of rail routes. The state is focusing on increasing the share of railways in cargo and passenger transport. Initiatives have been undertaken to start monorails at Dehradun, Haridwar and Rishikesh, on the inter-city linkage routes.

The main railway stations in the state are Dehradun, Haridwar, Roorkee, ~~Kashipur~~, ~~Kanpur~~, Udham Singh Nagar, Haldwani, Ramnagar and ~~Kaungodan~~.

Participants: MN, SH, SR, BP, MT, ANUSREE P

Uttarakhand state's Infrastructure

PHYSICAL INFRASTRUCTURE – AIRPORTS

The state has two domestic airports: one at Jolly Grant in the Dehradun district and another at Pant Nagar in the Udham Singh Nagar district. Due to the hilly terrain, the government has proposed the construction of at least one helipad per district. The state intends to position air transport as a reliable all-weather transport option for the hills.

With Uttarakhand emerging as a hot tourist and industrial destination, the state government is focussing on upgrading the Jolly Grant airport as an international airport.

SMART CITIES

The Government of Uttarakhand proposed 3 smart cities: Dehradun, Haridwar & Roorkee. Out of these, the central government approved only Dehradun to be developed as a smart city on the basis of urban population & the number of statutory towns.

Advantage Uttarakhand

Favourable location and abundant resources

- The state lies close proximity to the national capital of Delhi, a leading market of the country and excellent connectivity with neighbouring states.
- Abundant natural resources due to hills and forests supporting tourism, and vast water resources favouring hydro-power. Agro-climatic conditions support horticulture based industries.

Stable political environment

- The state has a stable political environment with successive governments that have been committed towards creating a progressive business environment.

Advantage Uttarakhand

Adaptate labour pool

- The average literacy level is high. A large pool of skilled human resources is available in Uttarakhand from some of the leading educational institutions in the country.

Policy and infrastructure

- The state offers a wide range of benefits in terms of several incentives, financial assistance, subsidies and concessions.
- Uttarakhand has a strong social and industrial infrastructure, well connectivity with over 30,000 km of road network, two domestic airports, 345.23 km of
