Photos:

The screenshot shows a mobile interface for a Google Form titled "COVID - 19 QUIZ". The status bar at the top indicates the time is 11:33, with 4G LTE signal and a battery icon. The URL bar shows "https://docs.google.com/form". Below the URL bar, there are icons for a document, a palette, a play button, a vertical ellipsis, and a profile icon with the letter 'n'. The form title "COVID - 19 QUIZ" is displayed in large black text. Below the title, there are three tabs: "Questions", "Responses" (which is selected and has a red circle around the number 604), and "Total points: 100". A modal window is open over the "Responses" tab, titled "604 responses". Inside this modal, there is a red header with the text "Not accepting responses" and a toggle switch that is turned off. Below this, there is a section for "Message for respondents" with the text "This exam is not currently accepting". At the bottom of the modal, there are three tabs: "Summary" (selected), "Question", and "Individual". Below the modal, the "Insights" section is visible, showing a bar chart icon and the text "Insights". Underneath, there are three boxes: "Average" with the value "63.36 / 100 points", "Median" with "60 / 100 points", and "Range" with "8 - 100 points". At the bottom of the insights section, there is a heading "Total points distribution" and a partially visible bar chart. The background of the entire image features a decorative watermark with the Tamil text "அறிவு அழகு ஆக்கம்" (Arivu Azhagu Aakkam) and "நங்கேயம்" (Nangeyam).
