Activity: Dress up and display of Punjabi tradition by students

No of students attended: 10

Report:

Students have been asked to learn different terms in Punjabi Language for over a period of 25 days and were asked to narrate them. So students also showed up in Punjabi dressing style and mentioned about the culture and tradition of Punjab. This has been done as part of Cultural exchange through the programme. This way students have also been utilizing the Lock down period for Language skill development and building of Traditional values.
