Portfolio through ClassDojo

- High-school students enjoy saving their work on ClassDojo portfolio and share their learning experience with the community.
- Teachers track attendance and record students' behavior and communicate with parents.
- ClassDojo helps in developing student creativity and self-confidence and supports classroom management

Why ClassDojo for my students?

- Launched in 2011 by Sam Chaudhary and Liam Don in US for primary schools
- An app that helps teachers, students and parents to communicate with each other.
- Good for adolescent students' behaviour management
- Helps students to remain focused on class activities
- User friendly and interesting
