

PRESTIGE INSTITUTE OF MANAGEMENT AND RESEARCH, INDORE

Webinar on Renewable Energy for Sustainable Development

Prestige Institute of management and Research, Indore has done a webinar on Renewable Energy for Sustainable Development. This topic is very relevant as the world is facing problem of climate change. Sustainable development is possible by use of renewable energy and by ensuring access to affordable, reliable, sustainable, and modern energy for citizens. Strong government support and the increasingly opportune economic situation have pushed India to be one of the top leaders in the world's most attractive renewable energy markets. The Speaker on this topic was Mr Kuldeep Jain, Founder and Managing Director Cleanmax Environment Technology Private Limited. Some of the awards that has been conferred on Kuldeep are Star of the Industry Award for Best Green Entrepreneur of the Year by the ET Now in 2018 and Young Alumni Achiever's Award by IIM Ahmedabad in 2018. He discussed about the climate change and how this can be repaired by using Sustainable energy like Solar Energy. The programme was organized by Dr Rupal Chowdhary.
