No. of Resource Persons : 1
Activities End date : 04-09-2020
No. of Participants in the Webinar : 172

Report Description:

The PG Department of Computer Science (Shift II), Holy Cross College (Autonomous), Trichy organized a webinar on “INSIGHTS ON BIG DATA CHALLENGES AND OPPORTUNITIES“ for the students of B.Sc., M.Sc. and MCA on 4th September 2020 (Friday) through Google Meet video conference platform. The Session started at 05:00 p.m. with welcome address by B. Madhumitha. Then the Session was handed over to the speaker Dr.V. Jude Nirmal, Assistant Professor, St. Joseph’s College, Tiruchirappalli.

He started the session by explaining the overview of big data. Then, he explained about challenges and opportunities of big data. He also explained about building data pipelines. He explained how the students can choose analytics as career and he encouraged the students to become data analyst. He explained the role, responsibilities, salary, qualification to become a data analyst. Finally, he suggested us few certification courses regarding data analytics.

The Session ended at 6.00 p.m. with vote of thanks by G. Ajitha, and the students were asked to fill their feedback form and most of the students felt the webinar session was very useful and informative to them.
