

Holy Cross College (Autonomous) Tiruchirappalli-2
RESCAPES Program 2020-2021

Program on **KITCHEN GARDENING**

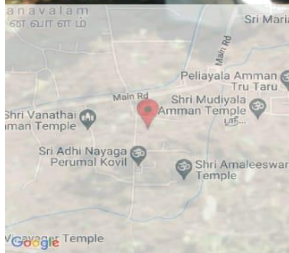

Date: 4th September 2020

Venue: Azhagiyamanavalam

Health is importance to protect ourself from diseases. During this covid-19 people suffered to get groceries and vegetables. To make the village people self-stuffiest in their daily cooking our college in collaboration with Ekam Foundation distributed vegetable seeds to the village peoples of Azhagiyamanavalm, seeds were given to 25 villagers and also demonstrated them how to sor seeds. And how to grow the plants by using organic manure. Mr. Sivakumar, District Coordinator, Ekam Foundation, also explained the benefits of kitchen gardening in each house.

Seeds were distributed to the village people of Azhagiyamavalam on 4 september 2020
