Name of the Activity – Webinar on ‘Unexplored places of Uttarakhand’

Activity Date – 12th September 2020

Report Description:

The EBSB club of TAPMI hosted the EBSB day with a webinar on 12th Sept 2020 on the topic ‘Unexplored places of Uttarakhand’. Ms. Hema Upreti, EBSB Club member of TAPMI, conducted the presentation.

The session started with a brief introduction about the club, its significance, and details about the partner state. i.e. Uttarakhand. The presentation consisted of unexplored as well as lesser known places of the state, their importance, how to reach them and the main attraction of each place.

The webinar included details about the places like Chopta Meadows, Mount Abott, Guptakashi, Kemkund Sahib, Binsar, Munisyari, Lansdown, and Sattal. Different activities that can be carried out in these places were also explained to the participants.

In the last segment of the webinar, the question-answer round took place where the participants got chance to clarify their doubts. Participants were also encouraged to share their expectations and any topics that can be included in the future sessions.

The session ended on a positive note with all the participants providing positive feedback about the session.
