COVID-19 Online Quiz Competition

Quiz competitions are always interesting and informative which provides excitement among the participants and also make them aware of current affairs. The Student Council Committee under the aegis of Dean of Students Office conducted an Inter university online Quiz competition on “COVID-19”. The quiz competition was conducted on 5th June, 2020. The Rules and Regulations of the quiz were explained at the beginning via email. We had total 219 participants registered and out of them 39 were successfully able to complete the quiz on time. To reduce the possibility of internet search 5 minutes time was given to complete the test. There were total 29 MCQ type questions. The Participants showcased their brilliance by answering the questions. It was very informative and knowledge enriching competition for the participants. At last, Dean of Students / Nodal Officer for EBSB Program has encouraged such positive initiatives / competitions and encouraged that all the participants should learn through all possible means - not just by books and classroom teaching techniques etc.
