SAVE WATER

- written by me.

I am the water, which you need,
 which is an important liquid.
 I am healthy, natural and pure;
 I have no colour and odour.

"The future we steer, our water be dear,
 together we'll have nothing to fear."

I am the water, which is all around;
 Save my every drop that can be found!
 My scarcity can be dangerous though,
 So try not to let it go.

"Drop, Drop, Drop, Drop."
 This kind of clock must be stopped!
 I'm wasted in lot of ways,
 watering the plants in sunny days.
 Like a bath instead of a shower,
 Leaving the tap on full power.

"Save your life by saving
 what lets you live, Save water!"

I am the water, which you need,
 which is an important liquid.

No Water.
 No Life.
 No Blue.
 No Green.

Poem on saving of water

(1)

Water is a boon.
 Water is life
 without any water
 nothing will survive.
 we need water and
 earth needs too.
 Don't waste it,
 we can't make mistake
 we must save water
 for everyone's sake.

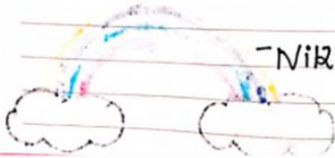

(2)

water water all around,
 save every drop that can be
 found.
 Wasting water is not good,
 so you never never should.
 Never let your tap run,
 turn them off as soon as
 soon you done.
 you must realize water is good,
 to save everyone as know
 we should.

Water

When they ask you why
you love the rain, the ocean,
the rivers,
tell them
it is because
unlike the people
why should have
loved you better,
the water was never
afraid, to touch you;
even when you are
at most your damaged
and broken.

जल संरक्षण एक कविता

जीवन का आधार जल है,
जल है ही बिना काम है,
जल नही तो मरना याम-याम है,
बूंद-बूंद करना संग्रह जमका....

बुझा, भूतार्थ, बहने
अब ही जानें कहना
सूखी ही अकाल्य, धरती पर जल
बूंद-बूंद करना संग्रह जमका.

हैं/ थकते का गडना जल,
जिंदगी का आधार जल है।
इसकी बचाना हर याम है...
बूंद-बूंद करना संग्रह जमका..

यदि न हुआ संग्रहित जल
तो मुश्किल होगा जमाना काम,
सूखना हर जगह, हर याम...
बूंद-बूंद करना संग्रह जमका...
