DATE: 25th May 2021

NUMBER OF PARTICIPANTS: 7

NUMBER OF RESOURE PERSON: 3

As per message from our Prime Minister Shri Narendra Modi “यह अभियान ग्रामीण और शहरी दोनों क्षेत्रों में चलाया जाएगा. इसका उद्देश्य बारिश के पानी का संचय करना है. 22 मार्च 2021 से 30 नवंबर 2021 तक पूरे देश में मॉनसून से पहले और मॉनसून के दौरान यह अभियान चलाया जाएगा. जिसमें लोगों की भागीदारी के जरिए जमीनी स्तर पर जल संरक्षण लिए आंदोलन के रूप में इसे शुरू किया जाएगा”. Under the theme “Jal Shakti Abhiyan” Ek Bharat Shresth Bharat (EBSB) committee organized “Be a warrior in the War on Water saving....” thus by motivation all the young generation to save water. As we are aware that Water has become one of the most difficult resources to access these days. Be it in cities or in villages, be it for industrial use or for agriculture, be it for human consumption or for the environment, its scarcity has started to threaten even wildlife in forests. Apart from technical and institutional solutions what is needed is a deeper knowledge and engagement with the issue by more and more people. While academics, engineers, hydrologists and hydro-geologists grapple with mega issues, more skilled and engaged people are needed at the grassroot level too. We encourage our students to prepare A4 size poster with slogan on the above-mentioned theme and upload here.

→ If we don't learn to conserve, we'll all be fish like, out of water.

→ Conserve water; every drop counts.
