We are in the 21st century and today as we freely move around in our country without anyone questioning or imposing any kinds of restrictions on us we feel satisfied and contented. We feel pleased by the thought of freedom that we experience. This feeling of contentment is the result of the sacrifices done

The history of human settlement in the west Indian state of Rajasthan dates back to about 5,000 years ago. This region was inhabited during great floods after the ice age as well. This area was known as Matsya kingdom. It was the site of the Indus Valley Civilization. Rajasthan was a prime centre of revolutionary turbulence. The Revolt of 1857 began in Meerut
