

## EBSB Post-2023

On the occasion of 77th Independence Day, the sport committee and Ek Bharat Shrestha Bharat team of the Indian Institute of Management, Mumbai (formerly NITIE, Mumbai), organized a Campus Marathon on August 15, 2024!

The marathon brought together students, faculty, and staff from all corners of our campus. It was truly heart-warming to see everyone, from kids to seniors, to come together and promote the national spirit on this day. All the winners were felicitated by our esteemed director, Dr. Manoj Kumar Tiwari as well as our dear professors with certificates and medals.
