INTRODUCTION

Yuva Sangam is an initiative by the Government of India to strengthen people to people connect especially between youth belonging to North Eastern India and other states. Ek Bharat Shreshtha Bharat Yuva Sangam focuses on conducting exposure tours of youth between the 8 North Eastern States and other States. It provides an immersive experience of various facets of life, development landmarks, recent achievements, and youth connections in the host state.

During their visits, the youth had a multi-dimensional exposure under five broad areas – Paryatan (Tourism), Parampara (Traditions), Pragati (Development), Prodyogik (Technology), and Paraspar Sampark (People-to-people connect). Youths of Tripura visited Tamil Nadu from the 04th of March to the 09th March, 2023. They learned a lot throughout the trip. A detailed description is given below-

Day 01- 04th March, 2023

Physical reporting at NIT Agartala campus and flagging off by Director of NIT Agartala on 04th of march. All the youth reported to NIT Agartala, followed by registration. Director, NIT Agartala addressed the youths of Yuva Sangam tour, wished them luck, and flagged off the tour. BSF Salbagan escorted the youths to the Maharaja Bir Bikram Airport, Agartala.

The Tripura contingent reached Chennai International Airport at 09:00 p.m. and was welcomed by the IIT Madras team and the 77 BN CRPF.

Flagg off by Director, NITA

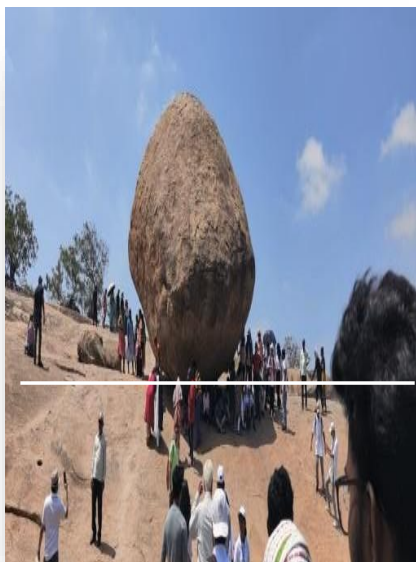

Welcome by IITM team at Chennai Airport

Day 02- 05th March, 2023

On the first day, Team Tripura engaged in conversation with Dean SW and other faculty members before visiting Five Rathas in Mahabalipuram. Then traveled to Mahabalipuram, a heritage site. Youths witnessed Krishna's butter ball as well. The final stop before having lunch at A2B was Shore Temple. Following the delicious meal, Tripura team went to Crocodile Park and saw a variety of crocodiles. Dakshina Chitra was final stop of the day. Here, through artistic representation, team could see the various cultures of four South Indian states, including Tamil Nadu, Andhra Pradesh, Kerela, and Karnataka.

Day 3- 06th March, 2023-

At 9:30, Tripura team started the day by interacting with the faculties of IITM, which was followed by a visit to the Heritage Center on the IITM campus. After that, team moved to the Governor House and interacted with the Hon'ble Governor of Tamil Nadu, Shri R.K. Ravi. Students got chance to share their experience with the Hon'ble Governor of Tamil Nadu. After that, team Tripura visited the IIT Research Park and interacted with 3 startups (incubators).

Day 4- 07th March, 2023

Team Tripura visited Integral Coach Factory (ICF), which is a manufacturer of rail coaches located in Perambur, Chennai, Tamil Nadu, India.

ICF, Chennai: ICF is one of the largest railway coach manufacturers in the world, located in Chennai, India. The factory was established in 1955 and has since produced over 60,000 coaches for Indian Railways. The visit to ICF was a great learning experience. The factory is equipped with modern technology and machinery, and the workforce is highly skilled. We observed the different stages of coach manufacturing, including welding, painting, and assembly. The tour guide explained the safety measures taken by ICF to ensure a safe working environment for the workers. A brief movie on ICF was shown after we visited Vande Bharat Coaches' furnishings section.

ICF Visit.

In the second half, Tripura team visited the Government Museum in Chennai. A Government Museum in Egmore is one of the oldest and largest museums in India. The museum has a vast collection of artifacts and exhibits related to art, archaeology, numismatics, and natural history. The visit to the museum was an enriching experience. Students were fascinated by the vast collection of ancient artifacts, including sculptures, paintings, and coins. The museum also has a section dedicated to the history of Tamil Nadu, which was informative and interesting.

The visit to Kapaleswar Temple was a spiritual experience. The temple has several shrines dedicated to different deities, and team Tripura were fortunate to witness a special puja (worship) during the visit. The temple also has a large tank, where devotees take a dip to purify themselves. We also had a cultural program on the same day where team Tripura performed some dance and song. Cultural evening in IIT Madras Campus by Tripura Students. The cultural evening organized by Tripura Students was an excellent opportunity to experience the diversity of Indian culture. The event showcased various dance forms, music, and traditional costumes from different parts of Tripura. Everyone amazed by the talent and energy of the performers, which put up a mesmerizing show. The event was a perfect blend of entertainment and learning.

Day 5- 08th March, 2023

Tripura team visited the Indian Institute of Technology Madras (IITM) campus in Chennai, Tamil Nadu. The campus is in a serene environment with lush greenery and beautiful architecture. IITM New Academic Building: The tour started with a visit to the recently constructed New Academic Building, which is a marvel of modern architecture. The building boasts state-of-the-art facilities, including smart classrooms and labs, and is designed to promote interactive learning. The building also has a green terrace, which provides a stunning view of the campus. IITM K.S Narayanan Centre for Cricketing Excellence (Cricket Stadium): Next, we visited the K.S Narayanan Centre for Cricketing Excellence, the stadium has excellent facilities, including world-class practice nets, a well-maintained ground, and a seating capacity of over 5000. It was great to see the passion for cricket that the students have at IITM. Phoenix Market city Mall after the campus tour, we headed to Phoenix Market City Mall, which is one of the largest malls in Chennai. The mall is a one-stop destination for shopping, dining, and entertainment. It has a wide range of stores and restaurants, a multiplex cinema, and a gaming zone. The mall is beautifully designed and is a must-visit place for anyone who loves to shop. Team visited the IITM Centre for Innovation, which is a hub for start-ups and innovators. It was a great opportunity to interact with the IITM formula racing car team, who showcased their latest prototype car. It was inspiring to see the passion and dedication of the students towards innovation and technology.

After that Tripura team visited **St. Thomas Church**, which is one of the oldest churches in Chennai. The church has beautiful architecture and is a peaceful place to offer prayers and seek solace. The church has a rich history and is a testament to the city's diverse cultural heritage.

Marina Beach: All the youths from Tripura contingent were excited to visited Marina Beach, which is the longest urban beach in India. The beach is a popular destination for locals and tourists alike, and it was great to see the vibrant atmosphere there. Students enjoyed the beautiful sunset and the cool sea breeze. Overall, the visit to IITM campus, Phoenix Market city Mall, St. Thomas Church and Marina Beach was an enjoyable and enriching experience. The EBSB Yuva Sangam tour gave a glimpse into the diverse cultural and technological aspects of Chennai, and we came back with fond memories of the trip.

Day 6- 09th March, 2023

On the last day, a session with Professor Balaji, where he taught about the joy of learning. His presentation was followed by an exchange of experiences and the gathering of feedback. After that, the youth bid goodbye to the IIT Madras team and proceeded to the airport.

CONCLUSION

Yuva Sangam is a great initiative of the Government of India, helps the youths of India to gain knowledge about the cultures of the North Eastern State and other states. It not only gives cultural exposure but also technological exposure. Youth can exchange their knowledge for further endeavors. It will make the youth aware of their neighboring states and ultimately create a bond that will fulfill the motto of Ek Bharat Shrestha Bharat.

The visiting students thanked Hon'ble PM Narendra Modi and the Hon'ble Education Minister Shri Dharmendra Pradhan for the visionary concept of Yuva Sangam which has created lasting memories, indelible learnings, and new friends for a lifetime. The students also wholeheartedly thanked making homely environment during the stay in Departments, IRCTC, Officials, Panchayats, People of Tamil Nadu for their warm hospitality and affections.
