Report on “Speech Competition” under EBSB

EBSB programme launched by Hon’ble Prime Minister seeks to promote bonding between people of diverse cultures across different regions of the country. Learning each others’ language is an important part of building this bond. With this reference, Indian Institute of Information Technology, Nagpur has organized Speech competition with the paired institute IIITDM Kurnool to create an environment which promotes learning between States by sharing best practices and experiences.

Patriotism is the love and pride for one’s nation to an extent of sacrificing even one’s life for the betterment of it. A great sense of patriotism was shown by our freedom fighters during their struggle for independence. A soldier is also considered to be a patriot who loves and respects his country and is ready to sacrifice his life for the development of it.

Patriotism is required for the growth of a nation. The patriotism of a person is tested during important times like the sudden outbreak of a pandemic, a war, during national disasters and national emergencies.

By considering past and present aspects, we have conducted “Speech Competition” to celebrate “Azadi ka Amrit Mahotsav”

The details of the events are given below.

Topic:- Patriotism

Theme- (1) Contributions of Soldiers towards our Nation.

(2) The Indo-China border fights and how is India re encountering China

(3) Movements launched in India (like Make in india, Fitindia , Swachh Bharat)

Rules and Regulations:-

- 1) The participants need to prepare the video of their speech.
- 2) The Video must be of 3-4 minutes

3) There is no linguistic barrier

4) It should cover the overview or broad area of the topic instead of focusing on a smaller area.

5) We would encourage the students to dig deep and get the interesting points or facts not known about the topic.

In this event, we have received 30 participations from IIIT, nagpur and 15 participations form IIIT, Kurnool. We collected audios and videos in online mode.

Some of the snapshots are given below.
