Report on “Public Speaking Competition” on “Indian Culture”

EBSB programme launched by Hon’ble Prime Minister seeks to promote bonding between people of diverse cultures across different regions of the country. Learning each others’ language is an important part of building this bond. With this reference, Indian Institute of Information Technology, Nagpur has organized **Public Speaking Competition** competition with the paired institute IIITDM Kurnool to create an environment which promotes learning between States by sharing best practices and experiences.

We're living in a vibrant multicultural country, so it's great thing to understand cultures other than our own. There are a few ways to do this, but the most important is to remember that we're all just people who are trying to do the best we can.

Developing our understanding of other cultures, Indian Institute of Information Technology, Nagpur has organized GK Quiz on “**Public Speaking Competition**” on “**Indian Culture**” with paired institute IIITDM Kurnool on 5th June 2022 in hybrid mode.

In this event, we have received so Total 23 participations from IIIT, Nagpur as well as from IIITDM Kurnool.
