### What we did?

EBSB program launched by Hon'ble Prime Minister seeks to promote bonding between people of diverse cultures across different regions of the country. Learning and testing our knowledge about our diversity is also an important part of building this bond. With this reference, Indian Institute of Information Technology, Nagpur has organized Rashtriya Ekta Diwas Quiz with the paired institute IIITDM Kurnool to create an environment which promotes learning between States by sharing best practices and experiences. We're living in a vibrant multicultural country, so it's great thing to understand cultures other than our own. There are a few ways to do this, but the most important is to remember that we're all just people who are trying to do the best we can. Promoting our understanding of other cultures, Indian Institute of Information Technology, Nagpur has organized this program with paired institute IIITDM Kurnool on 26<sup>th</sup> November 2022. The quiz contains questions related to culture, food, festivals, handicrafts, tourist places, famous personalities, etc. of various states/ UTs of India, promoting the spirit of Ek Bharat Shreshtha Bharat. The quiz was live on 26th November 2022 (Saturday) to 27<sup>th</sup> November 2022 (Sunday). Student attempted the quiz during this time.

The team has successfully organized the event on the government platform under the guidance of our respected Faculty Coordinators, Dr. Kirti S. Dorshetwar and Dr. Kaushlendra Sharma, in association with Indian Institute of Information Technology, Kottayam, under the EBSB Programme initiated by our Prime Minister.
