At first, I would like to say thanks to Jharkhand Government. They gave me a best opportunity to participate in National level Kala Utsav. I am proud of myself that I am representing for the Jharkhand.

When I came to the Bhopal with my team, I saw that wow this place will be my first memorial place, where I didn't see. There is so many beautiful place in this R.I.E Bhopal.

And Here is one of the best place that so many students have come from the different-different states of our India. We can learn about the cultural, and traditional of other states.

Here the all participades has came for the perform there activity.

But I dont know that either I can get any position or not. But I gave my best effort.

If I will get position, that will be the good news for the shakhand. if not that is no problem. Next time again I will come in this stage.

But Now, I am waiting for the Result for Painting. Those who will get the first position. se will be the topper in penting.

Now I am feeling like.

you also can feel in this moment.
