2. Letter of Hon'ble Secretary Ministry of Human Resource  
Development, Government of India No. D.O. No.17/2019  
Dated 06/11/19.

Dear Sir,

On the occasion of National Unity Day, the birthday of Sardar Vallabhbhai Patel, which was held on 31 October, Prime Minister Shri Narendra Modi presented the idea of a sustainable and constructive cultural connection among the citizens of different states. The diversity of cultures in the various states in our country is something to celebrate. People in the various states and union territories must connect and be in touch with each other so that a common sense of understanding of different cultures is developed across the country. During this program, every state and union territory (UT) of the country will be connected with another state and union territory for one year. In the meanwhile, the participating states / UTs will make creative connections across languages, literature, recipes, festivals, cultural events, tourism etc.

A total of 16 groups of states / union territories have been selected to coordinate between the central ministries, educational institutions and general citizens through linguistic, literary, sports, tourism and others. These groups will be applicable for the current financial year 2019-20. The State of Maharashtra is affiliated with the State of Odisha. As part of Samagra Shiksha for students, implementation of school changes,

language confluence and arts festival will be arranged in the "Ek Bharat, Shrestha Bharat" programme.

Herewith sending the list of DIETs in Maharashtra with their contact persons and details that have been paired with the same of your state. The activities / programs to be conducted by the respective DIETs sent by the Central government are also shared.

Kindly send us the contact numbers of the principal and offices of the DIETs and also the contact number of nodal officer for the program from your state.

I kindly expect your co-operation for the success of all the programs and activities to be conducted by both our states under the program of Ek Bharat Shreshtha Bharat (EBSB).
