The purpose of formation of EBSB club was to smoothly conduct various activities proposed under the Government of India initiated flagship programme Ek Bharat Shrestha Bharat (EBSB). A detailed discussion was made in this meeting regarding successful execution of different EBSB programmes. In the meeting, it was also decided **that 10th of every month will be observed as EBSB day**, provided no other compulsory academic activities like semester examinations, project review etc. clashes with the date.

Members present in the meeting suggested to expand the horizon of the programme till Kohima and adjacent areas so that the message can be delivered to a large audience. Members present in the meeting insisted on conducting programmes like quiz competition, special lecture programme on cultural heritage of the pairing states, student exchange and teacher exchange programme, movie show, food festival, cultural programmes and so on.

Although 'Manipuri Food Festival' was proposed to organize on 10th of December 2019, but later on the programme was postponed to January 2020 due to some technicality. It was also proposed that a student team will be send to MANIT Bhopal for an exchange programme in the later part of January 2020. All the members ensured active participation in various events under the programme, for its successful competition.
