

ASSAMESE SINGING PERFORMANCE MUSIC AND SPIC MACAY SOCIETY, CACS

Date: 26th January 2021

Commemorating India's sovereignty, on the occasion of 72nd Republic Day, the Music and SPIC MACAY society, MNIT organized an online event to promote Assamese culture under the Ek Bharat Shreshth Bharat (EBSB) programme run by the Central Government.

A patriotic song is such a fire of melody which leaves the listener burning with valour. Many students from all years joined the online event via Google meet platform to show their patriotic fervour. The students performed Assamese patriotic songs that inculcated a feeling of patriotism in every listener while promoting their culture at the same time. There was also a duet musical performance by two students that created an overall serene environment. Very overwhelming participation was observed.

Overall, the event was a great success.
