Conference and Essay Writing Competition- 'Azadi Ka Amrut Mahotsav'

The beginning of celebration of the 75th Independence of India inaugurated by Honourable PM Narendra Modi, left a mark of nation love. Reflecting on the same spirit team of CACS under Student Welfare section organised two events each of which typified the presence of uniqueness and creativity. Diversified by regions and unified by the feeling of nationalism, both the events overwhelmed the participants, the judges and the organisers with the flow of words.

The Essay Writing Competition titled 'Azadi Ka Amrut Mahotsav' was based on online submissions from the participants. The essays brilliantly portrayed the lives and thoughts of various freedom fighters, be it the bravery of Bhagat Singh or the nationalism spirit with principles of truth and non-violence of Mahatma Gandhi, all the kinds of efforts made by the participants brought us back in time, the days when 'Purna Swaraj' was an ambition, a perseverance.

The conference organised on 15th March 2021 did witness talks on Freedom Struggle and golden chronicles written by Indians on the path of 75 years. Stories on the sacrifice of Freedom fighters, speeches on the importance of Independence, poetries on immolation for Independence spellbound the audience. Participation of newcomers introduced a new beginning in MNIT and embarked on a memorable starting of the celebration signifying the story of majestic India.
