## ESSAY WRITING COMPETITION

### “Future Technology Needs for India - 2047”

ORGANIZED BY LITERARY SOCIETY IN COLLABORATION WITH SMP

4<sup>th</sup>-10<sup>th</sup> SEPTEMBER, 2021 VIA GOOGLE FORMS

### REPORT

As India continues to make a mark in various spheres in the world today, it becomes indispensable to focus on the needs—especially technological needs, of the future to ensure India has its foothold in the time that is yet to come. Understanding the weightiness of the role of younger generations and students in the process of technology- centered evolution, Literary Society along with Student Mentorship Program (SMP) organized an **Essay Writing competition** on topic – “**Future Technology Needs for India - 2047**” to celebrate the 75<sup>th</sup> anniversary of Indian independence, *Azadi Ka Amrit Mahotsav*.

Event was announced on the social platforms and via mail on **4<sup>th</sup> September, 2021** and the entries for the event were accepted via google form till **10<sup>th</sup> September, 2021**. The event witnessed submission of 10 essays from participants out of which 5 are shortlisted by the faculty coordinators to be sent to TIFAC.
