

**“EK BHARAT SHRESTHA BHARAT”  
REPORT ON “MOJJA ASAAM” EVENT ORGANIZED BY DRAMATICS SOCIETY**

The Dramatics Society of MNIT Jaipur conducted an online event “Mojja Assam” under “Ek Bharat Shrestha Bharat” from 14-21 february 2021.

This event aims to enhance interaction and promote mutual understanding between people of different states and to carry out activities to promote cultural connect in areas of language learning, culture, tradition & music, tourism and sharing of best practices, etc.

During this period we paired with Assam and our event was majorly based upon collecting facts about assam and representing them in creative way. In this many students selected different categories like tourism, culture, wildlife, etc and made a short video depicting mutual understanding and reciprocity with state of assam. All the videos are uploaded on our social media handles and shared to maximum people to engage with cultural diversity of Assam.

The event was held for a duration of 7 days to provide time for a better research and think of an innovative way for participants. Our Dramatics team also helped participants to give ideas regarding video making and research work.

The event was held under the guidance of CACS and tried securing an enriched value system of unity in the nation.
