

## EBSB 2020-21

### ACTIVITY REPORT FOR THE MONTH OF JANUARY 2021

Under the EBSB Ek Bharat Shreshth Bharat, Government College of Arts and Science Aurangabad has assigned the activity to collect information on ' Comparative study of literacy rate of Orissa and Maharashtra from 1991 to 2011' This topic was given with a view to make the students aware about the literacy status of Orissa and also Maharashtra. For the study, the students had to take into consideration three censuses, i.e. 30 years. In all fifteen students participated in this activity. Some students have written excellently, that is they did a thorough study about the subject, others attempted to write and learnt about the subject. Overall the students showed genuine interest in the activity. EBSB is an excellent platform for the students to learn about the different aspects of another state and create an interest for finding out more about the place.

#### OUTCOME OF THE ACTIVITY:

The students in order to participate in the activity, learnt about the literacy status of both the states and thus gained information about the same. The following students participated in the activity.
