

St. Thomas College of Teacher Education, Pala
Report of the EBSB Club, September 2021

Kerala, the highest literate state in India, is home to the most reputed institutes for higher education in India. The first year B.Ed. Physical Science Education students created a video on the prestigious institutions of the State, on the vision, mission, objectives and other aspects of these institutes. The video presents a glimpse of the famous temples of learning. The video was prepared under the guidance of the coordinator of EBSB.
