Activities under the competitions/Event :

1. Poster making competition

Brief description about the event :

As part of our celebration of Mountain Day on the 20th of August, our school organized an online poster-making competition to encourage creativity and raise awareness about the importance of mountains and the need to protect them. This event provided a platform for students to express their artistic talents while also learning about environmental conservation.

The competition saw enthusiastic participation from five talented students who created beautiful and thought-provoking posters. Each poster showcased the students' unique perspectives on the theme of mountains and highlighted the significance of preserving these natural wonders.

After careful consideration by our panel of judges, we are pleased to announce the winners of the competition:

- **1st Place:** Alisha Susan
- **2nd Place:** Mufeed Ahmed Haseeb
