About 60 students were present in the screening and the student got an insight of the language, food, dance and culture of the state.

The state was formed on 1 November 2000 by partitioning ten Chhattisgarhi and six Gondi speaking southeastern districts of Madhya Pradesh. The capital city is Raipur. A video related to the capital city Raipur was also shown.

We were able to showcase the rich heritage and culture, customs and traditions of Chhattisgarh for enabling students to understand and appreciate the diversity that is India, thus fostering a sense of common identity. Wish to establish long-term engagements with the state and to create an environment which promotes learning between States by sharing best practices and experiences.
