Kerala, renowned as “Gods own country” is today became as one of the best tourist place in India.

We Keralites consider “Onam” as our national festival. The day is based on the “Panchangam” which falls on the star “Thiruvonam” in the month of “Chingam” of Malayalam calendar. According to legends, this festival is celebrated to commemorate the king Mahabali and Vamana, the fifth avathara of lord Vishnu. The people imagines that the king is arriving to visit everyone`s home every year. Onam is discussed with numerous festives such as Vallamkali(boat race),Pulikkali(tiger dance),Athapookkalam(the flower design ), Onathappan (worship),Thumbithullal,Thiruvathira(dance),Onathallu (funfight),Onavillu(musicalinstrument),and Onasadhya.
