

### **Sainik School Amaravathinagar**

Cadets of class VI were taught about food culture habits of the partner state, Jammu and Kashmir. Information was given to the cadets about the variety of the food practices, festivals, and nutritional value of the food. The students were advised to prepare collage as a group activity merging the collective information about the food culture habits of Jammu and Kashmir. They were advised to draw the pictures and paste the images depicting the food culture of Jammu and Kashmir.
