

MADRAS CHRISTIAN COLLEGE (Autonomous)

TREE PLANTING AND PRESERVATION

October 9, 2020

Madras Christian College campus curatory in association with scrub society organized Prof. Edward Barnes Tree plantation drive 2020 on 09th October 2020, inaugurated by Dr. P. Wilson, Principal & secretary, MCC. Saplings of same species were planted on the exact spots in order to replace the lost ones during Vardah cyclone. 62 saplings of Indian Ash (*Lannaea coromandelica*) were donated by Mrs. Asha Reddy, friend of MCC through Prof. Sridhar, Department of Political Science. As an initiative, saplings were planted along the roads around the main building and hall of residents. This event was streaming live online through zoom and YouTube, except few faculty members including chaplain, curator, president of scrub society, Alumni and public relation officer, student representatives from CUS, NCC and Scrub society.

P. Selva Singh Richard, **Curator, MCC**

July 02, 2019
