Chail Wildlife Sanctuary is counted among the best national parks and wildlife sanctuaries in Himachal Pradesh. The wildlife sanctuary was established in the year 1926 and is home to an impressive variety of wildlife. The flora consists of mostly deodar and oak forests, with grasslands too in abundance. The main attractions are sambar, goral and cheep pheasants. Some of the most commonly spotted wildlife are Rhesus Macaque, Leopard, Indian Muntjac, Goral and Crested Porcupine, Himalayan Black Bear, Wild Boar and common Langur. Another special attraction for the tourists is the Cheep Pheasant breeding center.
