### 6. Report of the event

The first event of the year 2021 was an online webinar which presented a view of Kashmiri literature available in the Tamil language. The resource person for this event was Dr. K. Sankara Narayanan, Assistant Professor, Sangappalagai for Tamil Development, University of Madras. A very learned and scholarly personality who enriched the session with a wonderful and detailed comparison of literary viewpoints as represented by the Tamil authors versus that of the Kashmiri authors. After presenting a brief outline of the Kashmiri background, Dr. Sankara Narayana highlighted a few poems and short stories written about Kashmiris by Kashmiris as well as non-Kashmiri people. The session enlightened the participants to the vantage point view. This made the session interactive and interesting. The resource person was introduced and welcomed by the

RUSA Co-ordinator, University of Madras, Prof. A Stephen, EBSB Convenor, Dr. Fazlunnisa H and the Campus Coordinator, Dr. P. Saraswathi. It was well attended by the students, research scholars and faculty of the University. The feedback collected indicated a need to organize more such interactions which help us to know more about the state of Jammu & Kashmir.
