The mountain ranges, river-irrigated areas, rivers, and streams, forest, and desert all have beautified India with their outstanding diversity amongst people various races, castes, creed, religion, and languages. each state and region has its uniqueness.

This unique feature is the core idea for the programme 'Ek Bharath Shrestha Bharath'. This programme was proposed by our Hon. Prime Minister Shri Narendra Modi to commemorate the birth anniversary of Sardar Vallabhai Patel.

Following the proposal, Puducherry has been paired up with Daman and Diu, to interact and promote mutual understanding between the people of the Union Territories through the concept of state/UT pairing.

To work on this idea, a video titled "**A Historical Monument**" has been created so that it may shower light upon great true inspiring and astonishing history behind an important historical monument in Puducherry and Daman and Diu.
