

EK BHARATH SRESHTHA BHARATH

We all know that India is a country of unity in diversity. The mountain ranges, river-irrigated areas, rivers, and streams, forest, and desert all have beautified India with their outstanding diversity amongst people various races, castes, creed, religion, and languages. each state and region has its uniqueness.

This unique feature is the core idea for the programme 'Ek Bharath Shrestha Bharath'. This programme was proposed by our Hon. Prime Minister Shri Narendra Modi to commemorate the birth anniversary of Sardar Vallabhai Patel.

Following the proposal, Puducherry has been paired up with Daman and Diu, to interact and promote mutual understanding between the people of the Union Territories through the concept of state/UT pairing.

To work on this idea, a video titled "**Tourism**" has been created so that it may shower light upon wonderful, astonishing and mind blowing tourism spots in Puducherry and Daman and Diu which will help the visitor to realise and enjoy his/her inner self.
