A Report on 'Digital Saksharta Abhiyan'

Mahavir Polytechnic, Nashik organized Digital Saksharta Abhiyan on 11th Feb 2022 at Computer Engineering Department intending to spread digital literacy among all sections of the Indian society, especially rural India. The Digital Saksharta Abhiyan is an extension of the "Digital India" initiative of the Government of India with the main intention to modify India into a society that is digitally empowered and create a knowledge economy. Digitally Saksharata Abhiyan so literate persons would be able to operate computers/digital access devices (like tablets, smart phones, etc.), send and receive emails, browse internet, access Government Services, search for information, undertaking cashless transactions, etc. and hence use IT to actively participate in the process of nation building.The 117 Students attended the digital Saksharta abhiyan through Zoom meeting calling virtual meet.
